WONDERGLASS

Oli is inspired by ancient geometries found in sacred Hindu and Buddhist architecture. This contemporary lighting system, in glass and bronze, provides a wealth of beautiful possibilities: from a single lamp glowing in the darkness, to complex assemblies floating in space.

MATERIALS

Modules | Blown pulegoso glass

Rods | Metal

COLOURS

Module | Smoky grey

Rods | Antique bronze

DIMENSIONS

OLI 44 | W 1020 x D 1020 x H 1020 MM
