PISTIL

by India Mahdavi

WONDERGLASS

Inspired by India Mahdavi's obsession for flowers, Pistil's stylised form showcases the designer's iconic flair. The surface is made of a single piece of handmade cast glass – an impressive and highly-skilled process giving the table its uniquely rippled surface on the underside. As with all flowers, it is perfectly imperfect.

Limited edition of 8 units + 2 prototypes + 2 artist proofs.
