THROUGH THE CLOUDS

by Fornasetti

WONDERGLASS

Designed by the iconic Italian decorative firm, Atelier Fornasetti, Through The Clouds takes inspiration from daydreaming. Delicate glass clouds float above the viewer, suggesting divine perspective. Obelisks protrude from the clouds, nodding to the ancient Egyptians who worshipped the obelisk as a symbol of Ra, the sun god and creator of life on earth. Produced by hand, the design blends printed and lacquered metal with blown glass. This whimsical approach and fine material resolution reawakens the love of glass that has been embedded within Fornasetti's DNA since the mid-century – demonstrating Fornasetti and WonderGlass's shared artisanal approach and dedication to craftsmanship.

MATERIALS

Cloud | Blown glass

Obelisk | Metal

COLOURS

Obelisk | Malachite | Marbalia

Cloud | Frosted white

DIMENSIONS

Small | Ø 500 x H 750 MM | 2 Kg

Large | Ø 500 x H 900 MM | 3 Kg

LIGHT FITTING

Cloud Light | LED Plate | Max 7 W | 3000 K | 24 V |

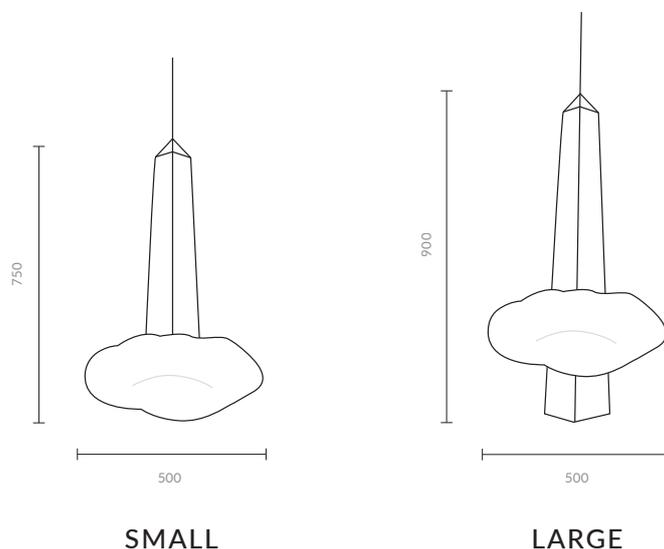

Dimmable* | 500 Lumen | Mini Jolly Driver

Down Light | LED Plate | Max 7 W | 3000 K | 24 V |

Dimmable* | 500 Lumen | Mini Jolly Driver

*Standard dimming in PUSH or 1-10 V for both CE and UL; in Trailing or Leading Edge available for CE market only.

Standard cable length is 2m
