MEMORY SHIELD

by Gwenael Nicolas (Curiosity)

WONDERGLASS

The human mind, as a realm of the sublime, is explored by Gwenael Nicolas in Memory Shield. This round sculpture, punctuated by thousands of smaller round forms, plays with the inherent, synecdochic, tension of parts and sums. Evoking the piecemeal composition of the mind as the aggregation of distinct individual memories, Memory Shield's eternally extending circularity also reflects on how we conceptualise the infinite in a finite entity.

Limited edition of 8 units + 2 prototypes + 2 artist proofs.

MATERIALS

Module | Cast glass

Holder | Metal

Spot Light | Metal

COLOURS

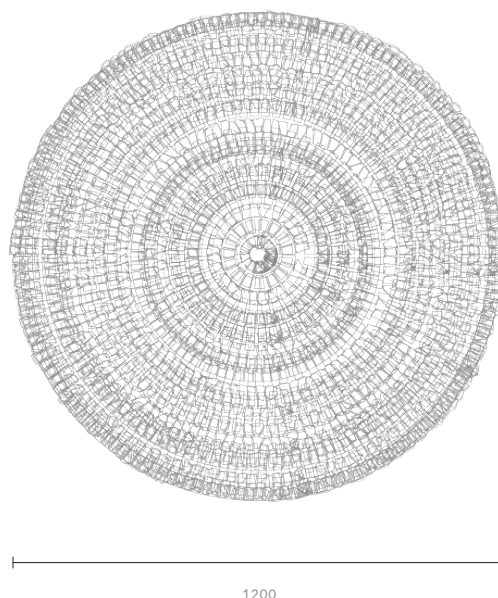

Module | Silver leaf crystal

Holder | Black

Spot Light | Polished chrome

DIMENSIONS

Ø 1200 x 100 MM LENS CURVATURE | 110 Kg
