EDITION

SPECIFICATION

WONDERGLASS

TALISO

by Elena Salmistraro

WONDERGLASS

Taliso is defined by overlapping and interlocking glass sheets and planes, which serve as both geometric and aesthetic elements. Drawing inspiration from architectural principles, each form balances weight and structure while accommodating the organic movement inherent to glass. The resulting compositions feel primitive and elemental, yet simultaneously contemporary and refined, showcasing the technical sophistication of the glassfusing process through delicate texture and colour combination.

Numbered edition.

MATERIAL

Fused glass

DIMENSIONS

D 1060 x W 1280 x H 600 MM

COLOURS

Table Top | Amber

Base | Aquamarine

Middle Insert | Purple
